Reference: Amended 12 Day Pre-General Report (10/1/10-10/13/10), received 12/7/10

Dear Mr. Norfleet:

This letter is in response to your request for additional information, dated April 8, 2011.

1. Your letter indicates that the above referenced amendment disclosed an additional \$167,080.51 in disbursements, most of which were on line 24. As was noted on the amended filing, the Committee was having data entry issues with the software and was unable to correctly enter several disbursements. The software was not accurately recording entries and was not allowing the appropriate candidate related information to be recorded. However, the Committee believes that the most of these were previously disclosed on 24-hour notices.
2. Your letter indicates that the Committee inadvertently failed to file one 24-hour notice. However, over the course of the election cycle, the Committee correctly filed hundreds of these notices. The Committee has communicated with the vendor involved to stress the importance of providing this information in a timely manner.
3. The above referenced report has been amended to accurately disclose the disbursement date of all earmarked contributions.

Sincerely,
Lisa Lisker
